MSW COURSES **SEPTEMBER - DECEMBER, 2018**

MSW Course booking website: <https://www.revolutionise.com.au/marinesw/>

WORLD SAILING (WS) SAFETY AND SEA SURVIVAL

This course includes practical wet and flare drills, and hands-on demonstrations of a wide range of safety equipment. It is extremely valuable for both racing and cruising sailors providing up to date information on equipment, safety planning, regulations and procedures. The Qantas Pool is chosen specifically to create the most realistic training experience possible including cooler water, darkness, and rain. Marine SafetyWorks is the only Australian Sailing school using this facility.
