

# The Royal Prince Alfred Yacht Club Cruising Events

August 2018 to August 2019

*Come cruising with us, make  
new friends and turn your  
dreams into reality!*

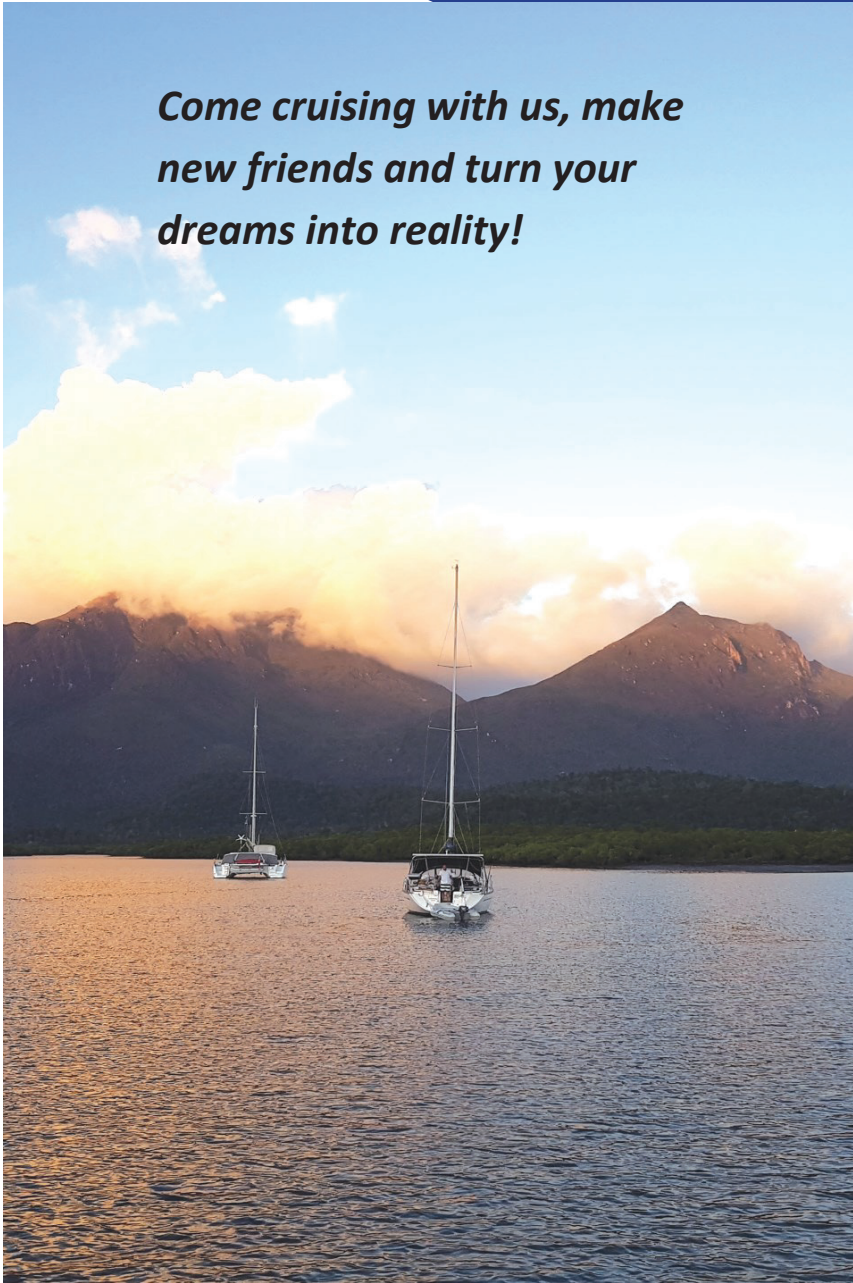

Welcome to the Cruising calendar for **2018-2019**. We are hosting a variety of events that we hope will appeal to all. Whether you are new to cruising or an old pro at living on board, please come and share your experiences and some fun.

## Here is how it works:

All on water cruises will have a designated start for those who wish to sail in company to the destination.

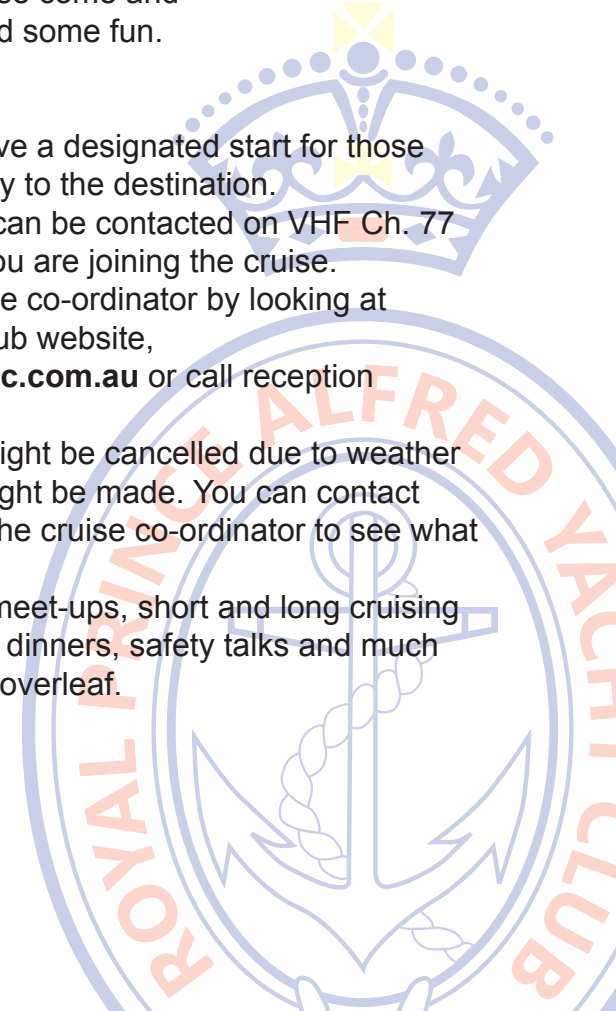

- The Cruise Coordinator can be contacted on VHF Ch. 77. Please radio to advise you are joining the cruise.
- You can see who is cruise co-ordinator by looking at cruising events on the club website, emailing [cruising@rpayc.com.au](mailto:cruising@rpayc.com.au) or call reception Ph: **9998 3700**.
- In the event the cruise might be cancelled due to weather an on land alternative might be made. You can contact reception 9998 3700 or the cruise co-ordinator to see what is planned.
- We participate in social meet-ups, short and long cruising destinations, First Friday dinners, safety talks and much more—see the calendar overleaf.
