

BOAT CATERING & HAMPERS

We're pleased to offer members a range of dining options to enjoy on your boat or to take home on those days when cooking is not an option.

At RPAYC, we understand that each occasion is different and that all boats have different cooking facilities onboard so our catering is flexible to suit your needs.

Alfred's 'Grab & Go' and takeaway service is available 7 days a week. Pre-order take away available (including rolls on race days).

Take away beverages are also available including coffee, non-alcoholic beverages, beer and wines. A full list can be provided on request.

For further information or orders for any of the above, talk to our staff in Halyards or reception when you are in the club.

Alternatively, call us on 9998 3700 or email functions@rpayc.com.au
