The Club has a long history of delivering a sailing experience to support and enhance the life of people in need.

Supported by RPAYC, the ACS Program provides sailing and family days for veterans and the community.

This program has been life changing for participants, building social networks and self-confidence from exciting, safe and fun days on the water. Over 4,000 participants have been part of the program since its inception in 2013.

ACS needs your help to enable it to continue and expand to other community groups and individuals in need.

RPAYC invites you to be a part of the Alfred's Community Sailing Gala Dinner on Friday 28 October, 2022.

# How you can help

## Helping People Rehabilitate Through Sailing

The Alfred's Community Sailing Gala Dinner is the major fundraising event for the Club's veterans and community program.

Taking up a Corporate Sponsorship or making a tax deductible donation is a tremendous opportunity to promote your company and demonstrate your community support for our veterans and people in need.

The ACS Program provides a sense of belonging and accomplishment to a wide and growing list of participants.

Some of the many community groups supported include:

- Current and past members of the Australian Defence Force, through the *Invictus Games Foundation*, *Soldier On*, and *Saltwater Veterans*
- First Responders through *Fortum Australia*
- NSW Emergency Workers through *Emerge&See*
- Disabled Sailors through *Sailability*
- *Marine Rescue*
- Young people as part of their school Wellness Program
- Other groups including women who are victims of domestic violence have registered interest in taking part in the sailing experience that the program offers

While generously supported by the Club, ACS is in need of funds to enable the program to grow and continue to develop new initiatives to help people in need rehabilitate through sailing activities.

Your support will assist the delivery and expansion of the ACS Program through:

- Training and educational courses
- Safety equipment for participants
- On-water sailing support from motor boats and ribs
- Provision of on-water assets
- Morning teas and lunches
- Vessel maintenance costs
- Financial and in-kind support to participate in regattas
- Use of Club Committee motor boats in support of community events
- Administrative support and coaching from volunteers and staff
