Be aware that the tide may impact depths at the above listed Pick Up Points. Commercial traffic at Palm Beach may also impact access.

Taylors Point Wharf may not always be a suitable evacuation location due to depth and/or weather limitations. From a medical perspective, it is desirable in a multiple casualty situation, that medical treatment be provided at one location.

When using the RPAYC as a Pick Up Point, direct parties and emergency services to access the Services Wharf. Remember to contact the RPAYC to advise of the incident.

The following items of medical equipment are at the RPAYC Clubhouse:

Medical Kits | AEDs | Oxygen Kits | Spinal Board | Applied First Aiders | Wheel Chair

COMMODORES MESSAGE

As we welcome in the 2025/26 sailing season at the Alfreds, the new calendar reflects the depth and variety of sailing that our members enjoy every year. From Opening Day and the Pittwater Dash on 6 September, through our busy twilight, inshore, offshore and centreboard racing programs, right through to major regattas and international competition, there is something in this season for everyone. At RPAYC we truly offer it all – from our youngest sailors in Optimists through to Ocean Racing.

The year ahead will see our club represented on the world stage at the NYYC Invitational Cup in Newport, and once again in October when the second edition of the Sydney to Auckland Ocean Race starts on 11 October. Closer to home, we will celebrate a milestone when the 40th Pittwater to Coffs Harbour Yacht Race is sailed on 28 March 2026, a race that has become a cornerstone of our offshore calendar. The David Lukins Memorial Regatta, the Finn State Championships, and the Zhik Centreboard Series also highlight the breadth of competition here at RPAYC. In February 2026, we will host the Pittwater Regatta incorporating the NSW ORC Championships, proudly supported by Pantaenius and Sydney Marine Brokerage. Last year's regatta had 77 entries, and we are looking forward to growing this number.

Pulling together a calendar of this scale is no small task, and on behalf of our members I want to thank Rear Commodore Yachting Peter Farrugia and Race Director Nick Elliott, together with the Yacht Race Committee and Sailing Office, for their careful planning and hard work.

I also extend my gratitude to our sponsors, whose support underpins so many of our headline events: Pantaenius, Harken, Marine Tune, Sydney Marine Brokerage, Zhik, B&G, Spinlock, and Imagine Signage. And to our volunteers, whose time and energy make it all possible, I say thank you; you are the heartbeat of our club.

The season ahead promises competition, challenge, and enjoyment for every sailor in our club. I look forward to seeing you all on the water and around the club as we share another outstanding year at the Alfreds.

FLAG AND YACHT ETIQUETTE

Flag and Yacht Etiquette are derived from custom and usage of the Royal Navy. Members of the Royal Prince Alfred Yacht Club will wish to maintain similar high standards of seamanship and good manners.

ENSIGNS

All Australian ships are entitled to wear the Australian Red Ensign.

'Alfreds' yachts may wear the defaced blue ensign provided that:

- The owner has an Admiralty Warrant to fly the blue ensign
- The Warrant is aboard the yacht at the time
- The owner is on board or in effective control of the yacht (e.g. ashore in the vicinity)
- The 'Alfreds' burgee is worn

COLOURS IN HARBOUR

The burgee and ensign should be hoisted at 0800 hours and lowered at sunset. The 'Alfreds' requires ships to lower all colours at sunset.

AT SEA

The ensign should be worn in daylight within sight of land or, when in company with other yachts or ships. The burgee is not required to be lowered at sunset.

WHEN RACING

Burgees and ensigns must not be worn. Racing flags should be flown from the backstay in all 'Alfreds' races. Yachts, having retired, should wear the burgee and ensign.

SALUTES

The red and blue ensigns should be dipped to warships of all nations and to The Royal Prince Alfred Yacht Club Flag Officers. The white ensign is never dipped except when returning a salute.

Club Burgee

VOLUNTEERING

The Club's sailing program continues to operate with the enthusiasm and commitment of volunteers. The ability to continue to deliver a first class and diverse sailing program depends very much on the assistance and support of the members.

If you are in-between boats, or just looking for an excuse to get onto the water, we have the perfect opportunity for you. Volunteers are always needed and always welcome to assist with the successful implementation of the Club's varied on water programs.

You don't have to be an active sailor to be a volunteer. No matter what your experience, there is a variety of interesting volunteer roles that can be undertaken, and all are an integral part of a successful event.

Volunteer activities include event administration, shore marshalling, equipment audits, protests, driving of vessels and assisting on support boats, laying marks, penciling results, operating flags, setting the racecourse and much more.

Volunteer race officials enjoy the camaraderie that comes from membership of a team with varied responsibilities and, as members, they seek to have as much fun as competitors.

The commitment is flexible, contributions are invaluable and offers to contribute are warmly welcomed.

We have experienced members to assist new volunteers to develop any necessary skills required and offer volunteer training throughout the season. If you would like to know more, please contact the Sailing Office on 02 9998 3700 or visit the club's website:
