Alfred's Community Sailing

At RPAVC, we believe in the power of sailing to uplift lives. Our ACS Program, launched in 2013, offers sailing adventures and family events that make a difference in the lives of individuals and groups in need. It's about more than just sailing—building connections, boosting confidence, and having fun on the water. ACS supports veterans, frontline workers, and our community sailing initiatives. With over 5,000 lives touched so far, we're proud of our impact and are eager to do more. Please help us keep the momentum going by supporting ACS; together, we can reach more community members.

Help change the lives of others

How you can help

Helping People Rehabilitate Through Sailing

Explore Social

The Alfred's Community Sailing Gala Dinner stands as a pivotal fundraising affair supporting the Club's commitment to providing inclusive sailing experiences, sail training and in-kind support to individuals, groups and community organisations helping those in need.

Opting for Corporate Table or contributing a tax-deductible donation presents a remarkable opportunity to showcase your company while displaying solidarity with the core practice of the program, helping people rehabilitate through sailing.

While the Club extends support to ACS, additional funds are necessary to foster program growth and cultivate fresh initiatives to aid individuals in need through sailing activities. In **2025 the ACS Program will be the main supporter of the Hansa World Championships**, a Para-World Sailing and International Sailing regatta predominantly for people with a disability.

Your contribution will facilitate the ACS Program by:

- Extending financial support for the Hansa World Championships
- Funding training and educational programs to ACS participants
- Supplying safety gear for participants
- Furnishing on-water resources
- Arranging 'Catch Up Corners', morning teas and lunches
- The purchase and maintenance of vessels to bolster community events
- Offering administrative assistance and guidance from volunteers and staff

Lend support by:

- Securing a **CORPORATE** Table or **Individual Ticket** at the Gala Dinner
- Financial **DONATION** to the ACS Program (Tax deductible)
- Contributing **ITEMS** for the live or silent auction at the Gala Dinner

The ACS Program plays a vital role in fostering a sense of community and achievement among a diverse and expanding group of participants.
