Be Aware that the tide may impact depths at the above listed Pick Up Points. Commercial traffic at Palm Beach Wharf may also impact access.

Taylors Point Wharf may not always be a suitable evacuation location due to depth and/or weather limitations.

From a medical resource perspective, it is desirable in a multiple casualty situation, that medical treatment be provided at one location.

When using the RPAYC as a Pick Up Point, direct parties and emergency services to access the Services Wharf. Remember to contact the RPAYC to advise of the incident.

The following items of medical equipment are at the RPAYC Clubhouse:

Medical Kits | AEDs | Oxygen Kits | Spinal Board | Applied First Aiders | Wheelchair

COMMODORES MESSAGE

Welcome to the Royal Prince Alfred Yacht Club 2026–27 sailing season handbook. It's another huge season on the water, with competitive racing happening almost every day of the week. From club racing to major regattas, women's racing to blue-water competition, this season reflects the strength, depth and commitment of our sailing community and the breadth that makes RPAYC one of Australia's leading yacht clubs.

Club racing remains the heart of the club, with strong fleets and committed sailors across every division. The much-loved CUPRA Wednesday Afternoon Series, our Saturday Inshore, Estuary, SOPs and Twilight racing continue as the cornerstones of the RPAYC experience, and the Pantaeenius Twilight Series, bookending the season, remains one of our most enjoyable and well-supported programs, bringing members together on and off the water.

Our Women's Racing Program continues its impressive growth, with competitive fleets and enthusiastic participation across every event. The Tuesday Women's Twilight Series, the Gwen Slade Regatta, the Kay Cottee Development Regatta and the Kay Cottee Open Women's Regatta each play an important role in strengthening pathways for women and girls in sailing. RPAYC is proud to support this momentum and to champion women's leadership and participation across our sport.

The Regatta Program is another major pillar of our season, opening in October with the Sydney Marine Brokerage Bavaria Oktoberfest Regatta, and followed by a strong lineup of state and national events: the NSW Etchells State Championship, the Pittwater Secondary Schools Teams Racing Regatta, and the **Pantaeenius Pittwater Regatta**, supported by CUPRA and Sydney Marine Brokerage, and incorporating the NSW ORC Championship. The Pittwater Regatta continues to grow and is now firmly established as a key fixture, not only in our own calendar but in others too. Additional class racing, including the VX One and the TP52 Palais Gold Cup, rounds out a strong and exciting regatta offering.

This season also marks a special milestone for our Blue Water Program: the 40th anniversary of the iconic Pittwater to Coffs Harbour Yacht Race. Four decades on, it remains one of the most popular ocean races with the club's blue-water sailors, and a fitting one to celebrate as we look ahead to this year's fleet taking on the course once again.

RPAYC also continues its proud tradition of hosting world-class youth match racing through the HARKEN International Youth Match Racing Championship.

The David Booth race in February is a race not to be missed, as we remember and honour David Booth and his fellow sailors.

On behalf of the Club, I extend our sincere thanks to Bruce and Jan Ritchie for their generous donation of the Revolver Grand Prix Performance Trophy, which will be awarded for the first time at the 2026–27 Annual Prizegiving. Their support reflects the spirit of generosity and commitment that strengthens our club year after year.

I thank all members, volunteers, staff and supporters for your dedication to our club. Your passion is what keeps RPAYC moving forward. I wish you fair winds, competitive racing, and a season full of enjoyment on the water.

Julia Hornsby
Commodore, Royal Prince Alfred Yacht Club

We would like to thank our sponsors and supporters, who are a key part of the club’s successful sailing program and headline events, and whose support is very much appreciated and valued: Pantaenius Insurance, CUPRA, Sydney Marine Brokerage, Harken, Marine Tune, ZHIK, B&G, Spinlock, Image Signage, and Bruce and Jan Ritchie.

EMERGENCY RESPONSE & NOTIFICATION OF INCIDENTS

NOTIFICATION OF INCIDENTS

RPAYC is not able to provide primary emergency response. The NSW Water Police (or AMSA, depending on the incident location) shall coordinate the Emergency Response for boats requiring external medical assistance or requiring assistance when in grave or imminent danger to the safety of the vessel or crew. For any incident requiring Emergency Service assistance the people at the sight of the incident should contact '000'.

Advising the Race Official Team and the RPAYC Reception should then follow.

At all times RPAYC should be advised when an incident has occurred and an incident report lodged by the parties involved.

RPAYC may be able to provide assistance in non-emergency situations and/or as directed by the Emergency Services.

For any incident requiring assistance, parties involved should update Emergency Services, the Race Officials and Club on the situation.

EMERGENCY RESPONSE

Where a vessel and/or its crew requires **Emergency Response** the vessel's crew should use the standard marine radio emergency call procedures (**MAY DAY** or **PAN PAN**).

- **MAY DAY** - Only used if a vessel or person is in grave and imminent danger and requires immediate assistance.
- **PAN PAN** - Used when a Mayday distress signal is not fully justified - vessel requires assistance but is not in grave or imminent danger or if an urgent safety message concerning safety of the vessel or person.
- If the incident does not merit a May Day or Pan Pan call, but emergency assistance is required, Emergency Services should be called by dialing "000". The NSW Water Police Marine Area Command (MAC) are the primary Agency responsible for coordinating Emergency Responses. Incidents requiring Ambulance services refer to Pick-up Point for your closest suitable location.

First Response - contact Emergency Services on:

- VHF Ch 16 and/or "000" or
- Water Police, Sydney 02-9692 5411 or Broken Bay 02-9979 4044 / Duty Officer 0412 162 093
- Marine Rescue VHF 16 or 02 9999 3554

In the case of an incident not requiring Emergency Services contact should be made with:

- Alfred's 1 on VHF Ch 77 or on 0428 276 409; or
- Alfred's 2 on VHF Ch 72 or on 0458 787 500; or
- RPAYC Reception on 9998-3700

NOTIFICATION OF VESSEL ACCIDENTS AND PERSONAL INJURY

If a boating accident occurs in any port or navigable water in NSW, the master of the vessel must:

- Stop the vessel immediately
- Give any assistance which may be necessary
- Produce any boat or PWC driving license required to be held to authorities and parties
- Give details to any person having reasonable grounds for requesting them e.g. other persons involved in the accident
- Details must include the master's name and address as well as any distinguishing number which is required to be displayed on the vessel e.g. registration number or permit number.

If requested by a Roads and Maritime Officer or any NSW Police Officer, provide the following details:

- Full identification
- Time, place and nature of accident
- Name and registration number of every vessel involved in the incident
- Name and address of every person who was concerned with or witnessed the accident
- Extent of any injury or damage resulting from the accident
- Produce a boat driving license or Certificate of Competency.

There is a NSW legislative requirement for skippers (and/or Persons-in-Charge of boats) to provide a written report to Roads and Maritime within 24 hours setting out the particulars of the incident if one of the following applies:

- The incident has resulted in the death, or injury to, a person
- The incident has result in damage greater than \$5000 to a vessel or any other property
- Damage or risk to the environment has occurred.

The relevant NSW RMS Sailing Incident Report form may be found on the RPAYC website in the Incident Procedures section or on the NSW RMS Maritime website. <http://www.rms.nsw.gov.au/maritime/>

- Copies should also be submitted to the RPAYC and or a Protest Form submitted if the incident occurred during an official event.

Calling an Ambulance - flowchart

**Ambulance Service
of New South Wales**

When you call Triple Zero (000), you will speak with a Telstra Operator who will ask you which service you require – police, fire or ambulance.

If you say **AMBULANCE**, you will be transferred to one of our control centres

To ensure you receive the most appropriate care quickly, the Ambulance control centre officer will ask you the following standard set of questions.

1. **What is the exact address of the emergency?**
(The officer will ask for the suburb name, street address and nearest cross street or location you are calling from)
2. **What is the phone number you are calling from?**
(This information is important in case the control centre needs to call back to obtain further information)
3. **Tell me exactly what happened?**
4. **How old is s/he?** (Approximate age if unsure)
5. **Is s/he awake?**
6. **Is s/he breathing?**

Answering these questions to the best of your ability ensures we have the most accurate information about the patient's condition and can assess the situation quickly

From your responses to the questions above, Ambulance will determine the most appropriate service for you.

Ambulance uses the internationally recognised Medical Priority Dispatch System (MPDS) to determine the level of response required based on the severity of the patient's condition. Not all callers will require an ambulance.

Life-threatening medical emergency. Urgent assistance required

Paramedics sent immediately under lights and sirens.

DO NOT HANG UP

The control centre officer will ask you additional questions to assist paramedics en route.

The control centre officer can also provide further assistance and/or medical instructions depending on the medical emergency.

Medical assistance required but not life-threatening medical emergency

Paramedics will be sent without lights and sirens when available. This may be as soon as 30 minutes or up to 90 minutes during busy periods.

Not an emergency but may require further medical assessment.

Your call is transferred to a registered nurse for assessment.

The nurse can provide advice over the phone and identify other methods of transport, or treatment by other health professionals.

The nurse can also return the call to the Triple Zero (000) control centre officer at any time if they believe an ambulance is required.

If your call falls into one of the above categories, you should call Triple Zero (000) again if the patient's condition changes in any way.

EMERGENCY PROCEDURES & INCIDENTS

GO EASY ON THE DRINK

When you're in a boat, the combination of wind, waves and the sun can all magnify the effects of alcohol and affect your judgement and skills.

Remember:

- The blood alcohol limit on water is 0.05 – the same as on the road.
- Random breath testing also applies on the water.
- Go over the limit and you could really get in over your head. So go easy on the drink.

For more information see our website or call the info line.

NOTICE TO PARTICIPANTS

Participants must take care especially when in the vicinity of, or when, rounding buoys during Club Events and at all times take reasonable care to avoid injuring other participants. Nevertheless, participants should be aware that collisions between boats can and do occur during sailing Events.

Sailing Events are intended to be good fun and to promote wellbeing and comradeship. Participants should enjoy themselves, but not at the expense of other participants in Club Events and should at all times observe the World Sailing (WS) Racing Rules of Sailing, the International Rules for Prevention of Collisions at Sea, the rules and regulations as stated in the Notice of Race and Sailing Instructions and display good sportsmanship in order to promote the sport of sailing.

CONDUCT OF MEMBERS

Extract from the RPAYC By-Laws.

- (i) Members will not engage in conduct:
 - which is prejudicial to the interest of the Club;
 - which causes offence to other members, their guests or visitors; or staff
 - which is unbecoming of a member.
- (ii) Members must always act in accordance with the Club's Values Statement, set out in Annex B.
- (iii) Any person creating a disturbance or interfering with the peaceful enjoyment of fellow members and their guests will be requested by Club Staff or Elected Club Officials to vacate the Club Property forthwith.
- (iv) Members should always be mindful of the beliefs and cultural diversity of other members and their guests together with the concept of equal opportunity for all.
- (v) Members shall not use any part of the Club's Property in any manner which breaches any law relating to Work Health and Safety or the Environment Protection Act or creates any occupational health and safety problem or an environmental problem. The members shall comply with any directive given by Club Staff concerning Work Health and Safety and Environmental Protection Act.
- (vi) Members will comply with the relevant statutory requirements regarding workplace practices and environmental management and any workplace practice and environmental management control determined by the Club from time to time.

- (vii) Any damage caused by a member or vessel to Club Property or other person's property must be reported to the Club within 24 hours of the occurrence and will be recorded in the Club's Incident Register.
- (viii) Members are also encouraged to report any near-miss incidents so the Club may proactively attend to risk management.

EXPERIENCE
★★★★★
SERVICE & QUALITY

FLAG AND YACHT ETIQUETTE

Flag and Yacht Etiquette are derived from custom and usage of the Royal Navy. Members of the Royal Prince Alfred Yacht Club will wish to maintain similar high standards of seamanship and good manners.

ENSIGNS

All Australian ships are entitled to wear the Australian Red Ensign.

'Alfreds' yachts may wear the defaced blue ensign provided that:

- The owner has an Admiralty Warrant to fly the blue ensign
- The Warrant is aboard the yacht at the time
- The owner is on board or in effective control of the yacht (e.g. ashore in the vicinity)
- The 'Alfreds' burgee is worn

COLOURS IN HARBOUR

The burgee and ensign should be hoisted at 0800 hours and lowered at sunset. The 'Alfreds' requires ships to lower all colours at sunset.

AT SEA

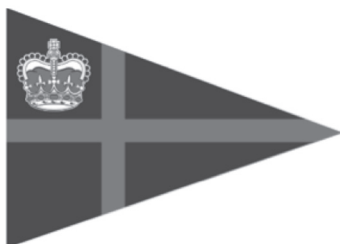

The ensign should be worn in daylight within sight of land or, when in company with other yachts or ships. The burgee is not required to be lowered at sunset.

WHEN RACING

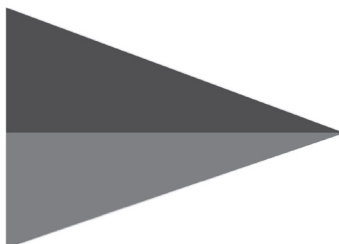

Burgees and ensigns must not be worn. Racing flags should be flown from the backstay in all 'Alfreds' races. Yachts, having retired, should wear the burgee and ensign.

SALUTES

The red and blue ensigns should be dipped to warships of all nations and to The Royal Prince Alfred Yacht Club Flag Officers. The white ensign is never dipped except when returning a salute.

Club Burgee

VOLUNTEERS

The Club's sailing program continues to operate with the enthusiasm and commitment of volunteers. The ability to continue to deliver a first class and diverse sailing program depends very much on the assistance and support of the members.

Whether you are between boats or just looking for an excuse to get onto the water, we have the perfect opportunity for you. Volunteers are always needed and always welcome to assist with the successful implementation of the Club's varied on water programs.

You don't have to be an active sailor to be a volunteer. No matter what your experience, there are a variety of interesting volunteer roles that can be undertaken, and all are an integral part of a successful event.

Volunteer activities include event administration, shore marshalling, equipment audits, protests, driving vessels and assisting on support boats, laying marks, penciling results, operating flags, setting the race course and much more.

Volunteer race officials enjoy the camaraderie that comes from membership of a team with varied responsibilities and, as members, they seek to have as much fun as competitors.

The commitment is flexible; contributions are invaluable and offers to contribute are warmly welcomed.

We have experienced members to assist new volunteers to develop any necessary skills required and offer volunteer training throughout the season. If you would like to know more, please contact the Sailing Office on 02 9998 3700 or visit the club's website:

ELEMENT BLOCKS.

FORGED FOR MOMENTS YOU WISH TIME STOOD STILL.

There is no shortage of people who want to bend on sails and go ever faster. Then there are those who want this to last as long as possible. It's all good. After all, at Harken we don't just make products for racers. We make products for sailors. For example, our **Element blocks**. Aluminum. Forged for strength. Metal, priced like plastic plain-bearing blocks. With a proven bearing system to work simply... for generations.

SECTION 4.0 - NOTICE OF RACE AND SAILING INSTRUCTIONS

This Section 4 and associated appendices form the Notice of Race and Sailing Instructions (NoR/SI) as required by the RRS and is applicable to each of the series and events of the Appendices.

1 NOTICE TO PARTICIPANTS / LIABILITIES OF COMPETITORS

- 1.1 Participation in yachting events or club races held by the Club, is at your own risk and responsibility. Competitors shall accept that their participation in a race is at their exclusive risk in every respect. The Club takes no responsibility for your safety or health during any race or event in which you participate. Specific attention is drawn to RRS 3 which states: "The responsibility for a boat's decision to participate in a race or to continue racing is theirs alone" and AS Special Regulations 1.02.1 which states that: "The safety of a boat and her crew is the sole and inescapable responsibility of the person in charge."
- 1.2 The Organising Authority and its officers, members, staff and agents accept no responsibility in respect of loss of life, personal injury or loss or damage to property which may be sustained by reason of their participation or intended participation in any racing or howsoever arising in connection with any race.
- 1.3 By participating in any club race, you agree to the conditions of the Notice to Participants / Liabilities of Competitors and waive all claims and demands whatsoever of any action you may have against the Club, its committees, officers, officials, organisers and members in relation to any injury, loss or damage suffered because of your participation in any of the club races.
- 1.4 Whilst racing the Skipper / Person in Charge (PiC) shall ensure they have adequate and competent crew and/or equipment to maintain a proper look-out by sight and hearing as well as by all available means appropriate in the prevailing circumstances and conditions to take appropriate action to avoid a collision.
- 1.5 Whilst racing in any club on-water event all persons on board shall be in reasonable health, have a reasonable level of fitness and be a competent swimmer. Any person suffering medical conditions should consult their medical adviser and follow their advice about participating.
- 1.6 Any person under the influence of alcohol or affected by any other substance shall not participate in any on-water organised club racing.
- 1.7 The wearing of a Personal Floatation Device / Lifejacket is recommended when participating in on-water club races; however, is required:
 - (a) At times of heightened risk,
 - (b) When "Y Flag" is displayed by the Race Committee.
- 1.8 Participants should be aware that taking part in the sport of yachting exposes participants to inherent risks because of which personal injury (and sometimes death) can, and does, occur.

2 INSURANCE

- 2.1 All boats shall have a current marine Public Liability and Third-Party Property insurance policy with a minimum racing cover of AUD\$10 million or equivalent thereof for any incident.

3 RIGHTS TO USE NAMES AND LIKENESSES

- 3.1 For all events organised by the Club, the Owner(s), Charterer(s), PiC and Crew grant at no cost the absolute right and permission to use their names, voices, images, likenesses, and biographical material, as well as representations of their boat in any media (including television, print and internet), to the Organising Authority.
- 3.2 Competitors and crew names, voice, image, likeness and biographical material shall not be used by the Organising Authority, Host Club, or any event sponsors in a way which constitutes an endorsement of sponsors' products by said competitors and crew, unless the relevant competitor or crew is engaged by the sponsor to endorse said products or gives his/her prior written consent to such use.

4 COMMUNICATIONS

- 4.1 For the purposes of communication, the boat owner or their representative's contact details shall be shared with the applicable fleet captain. If you wish to opt out of sharing your details, please contact the Sailing Office.
- 4.2 For the purposes of improving racing and gathering feedback; the boat owners, representatives and crew may be contacted or surveyed from time to time.
- 4.3 Owners, representatives and crew may receive communications via text message.

5 RULES AND REGULATIONS

- 5.1 The Organising Authority is the Royal Prince Alfred Yacht Club (RPAYC).
- 5.2 All races shall be governed by the current versions of the:
- (a) Rules, as defined in the Racing Rules of Sailing (RRS);
 - (b) Prescriptions of Australian Sailing;
 - (c) Appendix T of the RRS (Arbitration);
 - (d) World Sailing Appendix WP of the RRS;
 - (e) IRC Rules Parts A, B, C, if applicable;
 - (f) ORC Rating System Rules, if applicable;
 - (g) Class Rules, if applicable;
 - (h) Australian Sailing Special Regulations (AS SR) and any RPAYC special equipment requirements.
- 5.3 RRS Race Signals are amended to include the following:
- (a) When Code Flag "N" over "A" is displayed ashore with 3 sounds: all races are abandoned, no more racing today.

- 5.4 RRS 51 is amended by adding the following: "A boat with movable ballast or variable ballast (within the meaning of those terms in the AS SR) may move that ballast for the purpose of changing trim or stability".
- 5.5 RRS 52 is changed to: "The rotation of a boat's rudder shall be adjusted and operated only by the manual power provided by the crew; except for boats competing two-handed (maximum crew, including skipper is two), where RRS 52 shall not apply".
- 5.6 RRS 41 is amended by adding the following clauses:
(e) oral advice from coaches appointed by RPAYC.
(f) help from the Race Committee (RC) which may be solicited.
- 5.7 Failure to receive VHF communication from the RC shall not be grounds for redress. Changes RRS 61.4 (b)
- 5.8 A boat retiring from a race shall advise the Race Committee as soon as practicable after the decision is made, but no later than the time limit of the race.
- 5.9 VHF Radio – A boat's VHF radio shall be switched ON and be tuned to VHF Channel as detailed in the Appendix of each series. Where capable, boats should always maintain a listening watch on VHF 16. Not protestable by a boat. Changes RRS 60.1

- 6.2 The minimum number of crew on board shall be 2.
- 6.3 The minimum age of the skipper/PiC shall be sixteen (16) years.
- 6.4 A boat shall enter each series via the online entry system: <https://rpayc.com.au/sailing/online-entry-system/>. Unless otherwise accepted by the Sailing Office, an online entry must be received accompanied by the relevant entry fees, eligibility documents and rating certificates at least 24 hours prior to the start of the applicable race. Entry fees are published online at <https://rpayc.com.au/sailing/online-entry-system/>.
- 6.5 Full Members' may receive discounted entry provided they are financial and the boat they are entering is on the RPAYC Yacht Register of Vessels.
- 6.6 Late fees are applicable to all competitors.
- 6.7 The Owner and/or the PiC of a boat (refer to RRS 46 & 75) shall acknowledge the Conditions of Entry in the entry form. Any change to the PiC of a boat shall be updated through the online entry system prior to the applicable race.
- 6.8 An entry is not accepted until the appropriate completed documentation has been received and approved by the Sailing Office.

- 6.9 The attention of Owners and/or Persons-in-Charge is drawn to RRS 46 Person in Charge and Crew eligibility. RRS 46 is amended as follows to include:
- (a) All persons on board that are not members of RPAYC, shall register for a RPAYC Sail Pass for each day they compete in an event or a race that is organised by the club.
 - (b) SailPass registration shall be made before the event or race starts.
 - (c) A SailPass acquired at another Club, is not valid at RPAYC.
- 6.10 To register for a RPAYC Sail Pass visit:
www.rpayc.com.au/sail-pass or scan the

- 11.6 These areas referred to in NoR / SI11 rank as obstructions.

12 SIGNALS

- 12.1 Signals made ashore shall be displayed from the Club flagpole located on the Sundial lawn in front of the RPAYC Clubhouse.

13 AMENDMENTS

- 13.1 Amendments to the NoR / SI made ashore shall be posted on the Official Notice Board before 0930hrs for scheduled races on the day they shall take effect, except amendments to the NoR / SI for scheduled Twilight races shall be posted before 1330hrs on the day they shall take effect.
- 13.2 Code Flag "3rd Substitute" displayed from the Race Committee Vessel shall indicate that an Amendment to the NoR / SI has been made on-water. The change shall be communicated by VHF. The competitors may ask for a repeat of the amendment without breach of RRS 41.

14 DIVISIONS & CLASSES

- 14.1 Non-Spinnaker (as designated in NOR/SI 15.12 and the Series Instructions Appendices) - In Non-Spinnaker races or Divisions, a boat shall use only a mainsail and one headsail (as defined by RRS 54 & 55.1) at a time. The headsail shall be fully hanked or attached by means of a luff groove to the permanent forestay. (Amendment Notice #1)
- 14.2 Two-Handed Division (where applicable) – The maximum crew including skipper shall be two.
- 14.3 The Race Committee shall allocate (and reallocate, if necessary, points shall not be transferable) all eligible boats into Divisions and or Classes as it considers appropriate and display a boat's classification in the List of Competitors published online prior to the first race in a series.
- 14.4 A boat shall sail in the Division as allocated by the Race Committee.

15 HANDICAPS, RATING AND MEASUREMENT

- 15.1 A Performance Handicap System (PHS) handicap shall apply to boats for applicable Series. PHS is where a Time Correction Factor (TCF) for the boat is determined by the Race Committee based on past performance. The TCF determination shall not be subject to protest or constitute grounds for redress.
- 15.2 Rating Certificates, IRC and ORC ratings may be used for applicable series. Rating certificates for the commencement of the season shall be valid for 2026. Events scheduled from 1 June 2027 (IRC) and 1 July 2027 (ORC) shall require 2027 rating certificates.
- 15.3 A boat may only be entered into ORC if the boat has a valid signed ORC Certificate.
- 15.4 A boat may only be entered into IRC if the boat has a valid signed IRC Certificate.
- 15.5 For both ORC and IRC, the same valid certificate shall be applied to a complete series. No changes shall be possible during a series.
- 15.6 For boats with 2 valid IRC certificates, their primary certificate shall be used by default. If an entrant would like to have their secondary certificate applied to a series, the owner or PiC shall inform the Sailing Office prior to start of the series.
- 15.7 Rating certificates shall only be applied from the valid date when the certificate was issued and submitted to the Sailing Office and shall not be back dated for previous races.
- 15.8 The Race Committee and/or OA may require re-measurement of any boat.
- 15.9 An Event Handicap (EHC) may be used. EHC is where an event handicap for the boat is determined by the Race Committee based on past performance. The ECH determination shall not be subject to protest or constitute grounds for redress.
- 15.10 A Pursuit Race handicap is where a starting handicap for the boat is determined by the Race Committee based on past performance. The starting handicap determination shall not be subject to protest or constitute grounds for redress.
- 15.11 Any modification to the hull, engine, propeller, trim, spars, sails, or any other alterations that may alter that boat's performance shall be notified in writing to the Sailing Office at least 24 hours before the race affected by the modification or alteration along with an updated rating certificate as applicable.
- 15.12 Below are the applicable Rating/Handicap for each Series:

Event / Series	Rating/Handicap	Spinnaker/Non-Spinnaker
Tuesday Twilight Series	ORC; PHS	Mixed
Wednesday Series	ORC; PHS	Non-Spinnaker
Thursday Twilight Series	ORC; PHS	Mixed
Saturday Inshore Series (Spring & Summer)	ORC; PHS	Spinnaker
Saturday Short Offshore Series	ORC; IRC; PHS	Spinnaker
Saturday Estuary Series	ORC; PHS	Spinnaker
Saturday Winter Series	ORC; PHS	Spinnaker

16 RACING PENNANT & DIVISION COLOUR PENNANT

- 16.1 RPAYC members shall prominently display the Club Racing Pennant. The blue half of the pennant is to be displayed uppermost.
- 16.2 In addition to NoR / SI 16.1 boats shall display their Division pennant as allocated by the Race Committee available from reception or the Sailing Office.
- 16.3 Pennants shall be flown from the backstay or starboard shroud from the Warning Signal of each race until finishing or retiring. This is not protestable by a boat. Changes RRS60.1

17 THE START

- 17.1 The starting line shall be between the orange flag displayed on the Race Committee Vessel and the course side of an inflatable mark on the other end of the line.
- 17.2 Late at the start: a boat arriving in the starting area after her preparatory signal, may use her engine or be towed to the pre-start side of the line. The boat shall, before starting, stop her engine or drop her tow and then complete two (2) 360° turns in the same direction before starting. This amends RRS 42.

18 POSTPONEMENT OF A PURSUIT RACE START

- 18.1 In event of a postponement to the start of a Pursuit Race; the Race Committee shall display the number of minutes that each boat needs to add to their original starting time due to the postponement.
- 18.2 The Race Committee may update SailSys to reflect the new start time for each boat.

19 COURSES

- 19.1 The courses to be sailed will be selected from the current list of courses.
- 19.2 The course shall be displayed from the Race Committee Vessel at or before the Warning Signal for each Division.
- 19.3 All marks are to be rounded to STARBOARD unless otherwise indicated (P), denoting a PORT rounding.
- 19.4 If Flag "F" is displayed on the Race Committee Vessel with the course number, the first mark of the course shall be an inflatable mark laid approximately to windward of the starting line. Boats shall round this mark to PORT, if a RED flag is displayed below Flag "F" or to STARBOARD if a GREEN flag is displayed below Flag "F".
- 19.5 When an inflatable windward mark is laid, the second mark of the course shall be the first mark as described in the designated course.

20 SHORTENING COURSE

- 20.1 RRS 32.2 is amended by adding:
- (d) on a leg of the course, between the Race Committee Vessel displaying flag “S” and an inflatable mark nearby.
 - (e) retrospectively at a mark where the times of the boats rounding was taken by the Race Committee prior to shortening a fleet at the mark.

21 THE FINISH

- 21.1 The finishing line shall be between the blue flag displayed from the Race Committee Vessel and the course side of an inflatable mark nearby.
- 21.2 Alternative Finishing Line for Pursuit Races: “Rolling Finish Line”.
- (a) The Race Committee shall announce a “Rolling Finish Line” over VHF and display code flag “S” with 2 sound signals.
 - (b) The Rolling Finish Line shall be between two Race Committee Vessels each displaying code flag “S”.
 - (c) The Rolling Finish Line will progressively move from the front of the fleet towards the back of the fleet.
 - (d) A boat shall finish as she passes between both Race Committee Vessels displaying code flag “S”.

22 TIME LIMIT

- 22.1 RRS 35 is deleted. Unless amended in the specific series instructions a time limit is absolute, after which no boat shall finish.
- 22.2 Boats still racing when the time limit expires shall be scored one (1) more place than the number of boats finishing within the time limit. Such boats will be scored time limit expired (TLE). This amends RRS 35, A4 and A5.

23 PENALTIES

- 23.1 RRS 44.1 is amended in that the penalty for breaking a rule of RRS Part 2 shall be a One-Turn Penalty, except the penalty for breaking a rule of RRS Part 2 occurring within the zone as defined in the RRS shall be a Two-Turn Penalty.
- 23.2 The penalty, if any, for any infringement of the rules other than RRS Part 2 is at the sole discretion of the protest committee and may be other than disqualification.

24 SERIES SCORING

- 24.1 To be included in the series score a boat shall sail in at least 1 race in the first half of the series (number of races in the series divided by 2 and rounded down to nearest whole number). Example: In series scheduled for 7 races a boat shall sail in at least 1 of the first 3 races.

- 24.2 Boats that have entered a series and have not met the requirements of NoR / SI 24.1 shall have their entry changed to casual. Changes RRS A2 and A5.
- 24.3 1 race shall constitute a series.
- 24.4 RRS A5.3 shall apply as amended in NoR / SI 24.
- 24.5 When fewer than 5 races have been completed, a boat's series score shall be the total of her race scores. Amends RRS A2.1.
- 24.6 When 5 to 8 races have been completed, a boat's series score shall be the total of her race scores excluding her worst score. Amends RRS A2.1.
- 24.7 When 9 or 10 races have been completed, a boat's series score shall be the total of her race scores excluding her two worst scores. Amends RRS A2.1.
- 24.8 When 11 or more races have been completed, a boat's series score shall be the total of her race scores excluding her 3 worst scores. Amends RRS A2.1.
- 24.9 When a day's racing has been abandoned due to adverse weather conditions the race(s) shall not be rescheduled.
- 24.10 Boats that are casual entrants shall not score points for the series. Amends RRS A2.2.
- 24.11 PHS Scoring: Results shall be decided by the application of the Time Correction Factor (TCF) as a multiplier of elapsed times. The boat with the lowest corrected time (after application of scoring penalties, if any) shall be scored first and the other boats scored accordingly.
- 24.12 ORC Scoring: Results shall be decided by the application of the Time-on-Time Simplified Scoring option, using the ToT applicable rating (All Purpose, Windward/Leeward or Non-Spinnaker as per NoR / SI 15.10) as printed on each boat's ORC Certificate as a multiplier of elapsed time. The boat with the lowest corrected time (after application of scoring penalties, if any) shall be scored first and the other boats scored accordingly.
- 24.13 IRC Scoring: Results shall be decided by the application of the TCC on a boats certificate. The boat with the lowest corrected time (after application of scoring penalties, if any) shall be scored first and the other boats scored accordingly.
- 24.14 The minimum number of participating boats for a Class result is five (5).
- 24.15 Pursuit Race Scoring: Handicaps are conceded at the start. Boats shall be scored in the order they finish.

25 RRS APPENDIX T; ARBITRATION

- 25.1 Competitors' attention is brought to RRS T1
- T1(a) Provided that rule 44.4(b) does not apply, a boat that may have broken one or more rules of Part 2 or rule 31 in an incident take a Post Race Penalty at any time after the race until the beginning of a protest hearing involving the incident.

- T1(b) The Post Race Penalty is a 30% Scoring Penalty.
- T1(c) A boat takes a Post Race Penalty by delivering to the arbitrator or a member of the Protest Committee a written statement that she accepts the penalty and identifies the race number, where and when the incident occurred.

26 PROTESTS

- 26.1 For all races, the protest time limit shall be 90 minutes after the protesting boat's finishing time. If there are multiple races for any division or class on any day, the protest time limit shall be 90 minutes after the finishing time of the last boat in the last race of the day.
- 26.2 For Short Offshore Series Races the protest time limit shall be two (2) hours after the protesting boat's finishing time.
- 26.3 Protests may be heard at the RPAYC Clubhouse as soon as possible after the protest time limit or may be heard on the following Wednesday night.
- 26.4 To satisfy the requirements of RRS 63.1(a) notification of the time and place of a hearing and the parties involved shall be by email and or/text message. Failure to receive such communication shall not be grounds for redress.

27 PRIZES

- 27.1 Prizes may be awarded at the discretion of the Organising Authority.
- 27.2 Prizes may be awarded for each race at a daily presentation.
- 27.3 At daily presentations, a boat may only be awarded a prize for a single handicap category.
- 27.4 If there are three (3) or less starters in a race held, only the first place may be awarded.
- 27.5 'Series' prizes will not be issued where there are less than three (3) boats in a Class or Division.
- 27.6 Perpetual Series trophies will be awarded at the conclusion of the series for Women's Tuesday Twilight Series; Wednesday Series and Saturday Winter Series.
- 27.7 Saturday Inshore, Short Offshore, Estuary Passage and Sprints series may be awarded at the Annual Yachting Presentation, along with the nominated Special Club Awards, if applicable.
